  <p>MAKE MORE MONEY BY PARTNERING WITH COCARD TO OFFER YOUR CURRENT CUSTOMERS CREDIT CARD PROCESSING.</p> <p>Toll Free: 1.800.882.1352</p> <p>Email: member@cocard.net</p> <p>Web: CoCard.net</p>	<p>MISSION STATEMENT:</p> <p>"COCARD is a unique company that is owned and managed by its members, for the benefit of the individual member. Our mission is to provide a pathway for members and resellers to maximize the value each member brings to their organization and customers. Our focus is to improve each member's individual business strategies without compromising their entrepreneurial spirit. By collectively pooling our resources and brain trust our goal is to enhance the overall economic return and security for all members."</p>

	<ul style="list-style-type: none"> • Maximize Income: COCARD offers the highest percentage/split in the industry, leveraged buy rates from top processors and competitive pricing from third party vendors • Security & Strength in Numbers: Members have control and ownership of revenue • Multiple Processing Platforms: Our multiple platforms include First Data Omaha, First Data North, First Data Buypass/Concord & TSYS • Operating Agreement: COCARD's Operating Agreement protects all members • Non-Exclusive Reseller Agreement: COCARD does not force members to send business through COCARD • Ownership: Members have an ownership interest (units) in the "controlling" company • Your Have A Say: COCARD members can be owners themselves. Member offices have the option of participating in making policy, running for a seat on the board or a committee and can also earn "voting rights" by obtaining a certain level of portfolio performance • Shared Brain Power: Members are interested in each other's success, so there is no problem with sharing ideas, concepts, and marketing tools and value-added products • Transparency and Trust: COCARD is the only owner operated organization of its kind in the industry
